WHAT IS THE GLORY OF GOD?

The glory of God isn't just a feeling, an event or an Old Testament experience—it's a spiritual tsunami of everything contained in the character of God. The word *glory* is literally translated "heavy weight," meaning the heaviest, biggest, thickest manifest presence of God.

It has been called the manifested presence of God referring to the power of God. It is the kind of power that resurrects, delivers, overcomes and transforms. It is greater and stronger than any other power in existence. And it belongs to us.

Today, maybe you feel like the glory of God is untouchable, unreachable. Maybe you think of the manifestation of the glory of God as something reserved for special church services or an extraordinary circumstance through only a specific person like an intercessor, but it is available for everyone that believes.

The glory of God is available to you 24/7? It's built in. That's how God designed it—it's how He designed *you*. Because you were born of God (John 1:13), that glory is inside you right now! All things that the Father has—including His glory—belong to you. This means His glory isn't too far out of reach. It's right within your grasp!
